As you'd expect from one of the UK's finest resorts, there's an awful lot going on at Cameron Club. A natural start is the fully equipped, air-conditioned techno-gym. With the latest cardiovascular machines, including cross trainers and treadmills, as well as a wide range of resistance equipment, there's plenty to keep you busy. But it doesn't stop there, from great indoor pools to ultra modern squash courts, there's a world of leisure all at your fingertips. There are numerous activities to be found at the Cameron Club, located right here in Cameron House.

SPA RELAX, REVIVE AND UNWIND

Truly world class facilities and of course its breath-taking location have seen the Carrick Spa voted the best spa in Scotland for an incredible three years running. Once visited you'll see why.

Here are just a couple of the highlights.

SET TO SPARKLE

The Carrick has been designed to provide a truly special spa experience.

There are 17 rooms boasting Vichy shower beds, a Rasul mud chamber with steam room, a VIP spa suite for couples complete with mineral bath, a steam room and private balcony, a relaxation and finishing suite with heated pedicure station; there's even a make-up station.

SPA THERMAL EXPERIENCE

Infra red saunas, Caldariums, Tepidariums, Hydrotherapy pools, Aromatherapy and Hammam steam rooms - not to mention Experience Showers - await you.

Afterwards you can cool down with a dip in the jacuzzi or in the rooftop infinity pool overlooking the Loch.

GLORIOUS GOLF

Whether you're enjoying the majesty of The Carrick, taking on the challenging 9 holes of 'The Wee Demon' or perfecting your swing with the latest coaching technology, this is the place golf was born for.

Designed by acclaimed course designer Doug Carrick and offering stunning views across the great Loch, The Carrick has played host to the Ladies' Scottish Open and the PGA Cup. The majestic sweep down to the Loch on the 14th is worth the green fee alone.

Or, for a more compact challenge, the aptly 'Wee Demon' doesn't disappoint. Magnificent and wickedly clever, this is pure, unashamed challenge on every level. Can you beat your demons?

Take a deep breath of that brisk Highland air and drive. It took a million years to build this and only an afternoon to bring avid golfers to their knees at its glory.
